Dear Hiring Manager

I am writing to express my strong interest in the AI Training and Data Annotation opportunities at [Company Name]. As a Computer Science student at El Shorouk Academy with hands-on experience in AI model training, data annotation, and IT support, I believe I can contribute effectively to your projects while continuing to grow my expertise in artificial intelligence.

During my academic journey and professional training, I have worked on projects such as image classification, chatbot development, and spam detection, which gave me practical knowledge of machine learning workflows. In addition, I gained experience in AI training and dataset preparation, ensuring high-quality data to improve model accuracy. My background also includes customer service and IT support, where I developed strong communication, teamwork, and problem-solving skills.

I am highly motivated, detail-oriented, and eager to join [Company Name] to contribute to your AI alignment and data solutions projects. I am confident that my technical knowledge, combined with my ability to work under deadlines and adapt quickly, makes me a strong candidate for this position.

Thank you for considering my application. I would be happy to discuss how my skills and experiences align with your company's needs.

Sincerely,  
[Omar Eissa]
